

## **GDPR AND ACCOUNTS**

As part of our commitment to GDPR regulations and our Data Protection Policy, we are undergoing a regular data cleansing operation. If you find that you are not able to access your account this is likely to be because you have not logged into the system for over 3 months. We are very happy to open up your account again if you are intending to continue the course. Please email [training@thebusinessschool.uk.com](mailto:training@thebusinessschool.uk.com) to notify us that you wish your account to be accessible. We are sure you can appreciate that we are keen to comply with all relevant regulations.
